

Chansons et Carillons

Francesca Breschi - Voice

Alessandra Garosi - Piano

This Recital is a Tribute to one of the greatest performers of the Italian twentieth century, Giorgio Gaslini.

The vocals he offers are very varied, from Jazz to popular music to the very classic Elizabethan Suite.

Francesca and Alessandra, after the quartet record release *Chansons et Carillons* in 2013 for EMA Records, decided to repropose the concert in the form of a Duo.
